

**VILLAGE OF LAKEWOOD  
GARBAGE COLLECTION & RECYCLING PROGRAM  
MEMORANDUM**

**MEMO TO:** Village of Lakewood Residents  
**FROM:** Village of Lakewood  
**RE:** Household Garbage Collection & Recycling Program

The weekly collection of household garbage and recyclables throughout the Village of Lakewood is a job that relies on the mutual cooperation between its residents and the contractor.

Village of Lakewood residents can greatly assist the garbage/recycling contractor, (Penhollow Disposal Service) by properly preparing items for collection.

**Listed below are a few reminders and helpful hints regarding the collection of household garbage and recyclables.**

- All household garbage for collection ***must*** be placed securely in plastic bags. Garbage cans with lids are not required, but they do prevent animals and birds from strewing the garbage prior to its collection.
- **Recyclables *must* be properly prepared for collection or they may not get picked up. Also, they should only include those materials considered recyclable. (See recycling calendar for details)**
- Absolutely no construction & demolition material will be picked up.
- Household garbage, recyclables, and certain other materials may also be disposed of at the Town of Busti Transfer Station, located adjacent to the Town of Busti Highway garage on the Busti-Sugar Grove Road. Village residents may make use of the transfer station by purchasing a sticker from the Town of Busti. The current annual sticker fee is \$50.00. For details call the Town of Busti at 763-8561.
- Materials other than household garbage, (old furniture, construction & demolition material, appliances, tires, misc. junk, etc.) for a fee, can be disposed of at the South County Transfer Station, located on South Work Street in Falconer, NY. The South County Transfer Station's hours of operation are 7:00 am to 3:00 pm Tuesday through Saturday. Recyclable materials can be disposed of at the South County Transfer Station free of charge. For details call 665-6894.

If you should have any questions or comments concerning the Village of Lakewood's household garbage collection & recycling program, kindly call the Village Clerk's Office at 763-8557.
